Dear Mr. Blakey:

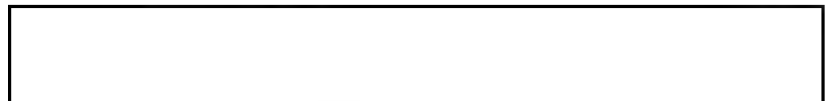

There is no file on the individual mentioned in the first paragraph of HSCA request letter of 30 August 1978. There is a file, however, on the individual's father which, according to our records, has already been reviewed by a member of your staff. There is also a file on the individual's brother which includes some very limited biographic data on the subject of your inquiry. Our records also show that HSCA request letter of 22 March 1978, Items 49 & 50, made a similar inquiry regarding the same individuals to which we responded.
